BY-LAWS OF THE KENTUCKY DEMOCRATIC PARTY

ARTICLE I

A. Supreme Power in Party Members, Exercised According to Law: The supreme power of the Kentucky Democratic Party (hereinafter “KDP”) rests in the members thereof as exercised by them in State Convention assembled. The organization and conduct of Party affairs shall be in accordance with the Constitutions and laws of the United States and the Commonwealth of Kentucky (Public Laws) and these Party Laws.

B. Registered Democrats are Party Members: The KDP shall include all persons registered in Kentucky as Democrats.

C. No Discrimination in Registration: The KDP, at all levels, shall support the broadest possible registration without discrimination based on age (if of voting age), gender, religion, economic status, sexual orientation, ethnic identity or physical disability.

D. No Discrimination in Party Meetings: All public meetings at all levels of the KDP are open to all members of the KDP regardless of age (if of voting age), gender, religion, economic status, sexual orientation, ethnic identity or physical disability.

No Democrat Committee governed by these By-Laws, or any Democratic Party Officer acting in his or her official capacity, shall endorse or support one Democratic candidate over another Democratic candidate in a Democratic Primary Election. No assets of the Democratic Party shall be used in a Democratic Primary Election unless they are made available equally to all Democrat Candidates in that specific primary election.

Democratic Party Officers who are candidates in a Democratic Primary Election are not prohibited from listing their party position or party office in their campaign materials. Also, this does not prevent any Democratic Party Officer from supporting or endorsing the Democrat of their choice in a primary election as long as they are not acting in an official party capacity.

Decisions of the Democratic Senate and House Caucuses are not governed by these By-Laws.

E. No Tests or Oaths Based on Discrimination: No test of membership in, nor any oaths of loyalty to the KDP, shall be required or used which requires prospective or current members to acquiesce in, condone, or support discrimination on the grounds of sex, race, color, creed, or national origin.

F. Publication of Party Election Procedures: The KDP shall publicize fully and in such manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures shall be done in such a fashion that all prospective and current members of the Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection at all levels of the Democratic Party organization.

G. Publication of Qualifications for Party Office: The KDP shall publicize fully and in such manner as to assure notice to all interested parties a complete description of the legal and practical qualifications for all officers and representatives of the State Democratic Party. Such publication shall be done in a timely fashion so that all prospective candidates or applicants for any elected or appointed position within the State will have full and adequate opportunity to compete for office.

H. Responsibility/Dismissal of Party Officers: If any Democratic Party Officer fails to support the nominees of the National or KDP or disavows allegiance to either, his or her office shall become vacant after a hearing and majority vote of the County Executive Committee members. The vote shall be on whether or not the individual failed to support the nominee and not on whether to retain the individual in their party capacity. The office shall be declared vacant immediately following finding of guilt.

Any Democratic Party Officer who intentionally reveals Party information that has previously been declared confidential to an unauthorized person or source shall have his or her office declared vacant after a hearing and a majority vote of the appropriate executive committee as stipulated by these by-laws.

If any Democratic Party Officer is accused of intentional failure to comply with the KDP By-Laws or precinct, Legislative District, County or State Convention calls or caucuses, the County Democratic Executive Committee or the State Democratic Central Executive Committee (hereinafter "SCEC"), as provided below, shall hold a hearing. Should it be found by a majority vote that the officer did intentionally so fail to comply; his or her office shall be declared vacant. This paragraph shall only apply to any action taken by a Party Officer after its adoption.

Hearings for Precinct Officers shall be conducted by the County Democratic Executive Committee. Hearings for all other Party Officers shall be conducted by the SCEC. Any appeals from the hearings shall be covered by Article IX of these By-Laws.

If the County Executive Committee fails to act within thirty days after being notified of this situation the chair of the SCEC has the authority to declare that office or position vacant. Any person who is dismissed from an office or position in the Democratic Party for the above reasons shall be prohibited from holding any office or position within the Party for two years.

ARTICLE II

GOVERNING PROCEDURES FOR CONVENTIONS AND COMMITTEE MEETINGS

A. Proxy Voting: Voting by proxy will not be permitted at any caucus or convention, nor in the election or removal of an individual to or from any office or position in the Party.

Proxies can be used at any State or County Executive Committee meeting to conduct regular or special business other than that of electing or removing individuals as stated above. Proxies shall be given and used only by a member of such committee. Proxies used in such meetings must be in writing and the member giving a proxy must state how and for what purpose it shall be voted.

B. Unit Rule Forbidden: The unit rule, or any rule or practice whereby all members of a Party unit or delegation are required to cast their votes in accordance with the will of a majority of the body, shall not be imposed on or upon any assembly, convention, meeting or caucus of delegates of the KDP.

C. Registration Deadline: Democrats must be registered thirty days before their respective County and Legislative District Conventions, to participate in the Precinct, County or Legislative District Conventions.

Any Democrat registered less than thirty days before the County and Legislative District Conventions will not be allowed to nominate or vote on party officers, State Convention delegates or any other business before the convention, nor will they be allowed to seek a position as a Party officer or delegate.

D. Slates: Any delegate attending a Party convention may sponsor or endorse a slate of candidates for party officer or delegate positions. However a slate is merely a method of campaigning and cannot be used in nominations or balloting. Each individual must be nominated and voted on as an individual, not as part of a slate. Names of all nominees shall be listed in alphabetical order on the ballot.

E. Open Floor Nominations: Any delegate to a convention may place in nomination for delegate or alternate his or her name, or the name of any member of the KDP who is a Democrat eligible to vote in the unit from which he or she is to be elected. Nominations shall be accepted by the presiding officer of the convention until a motion is made and passed to close the nominations.

F. Method of Voting: If two or more persons are nominated for an office or position, the vote must be taken by secret ballot with all nominees listed in alphabetical order by last name.

G. Election of Alternates and Delegates: After a convention has elected the allotted number of delegates, it shall nominate and elect alternates, within the number permitted by the Call for Conventions, by the same process used to elect delegates.

H. Vacancies in County or Legislative District Delegations: If a delegate dies, becomes ineligible or withdraws from a convention, alternates shall succeed to such vacancies. Delegation vacancies may be filled by majority vote if at least forty percent of the delegation is present to vote. If any vacant delegate position remains unfilled, the delegate position loses its vote. If a delegate to the Democratic National Convention should die, resign or become ineligible, such vacancy shall be filled in accordance with the Delegate Selection Plan.

I. Minority Reports: Upon the votes of ten percent (10%) of the delegates to any convention, or ten percent (10%) of the members of any committee acting at any convention of the Democratic Party of Kentucky, a minority report shall be prepared and presented to the floor of such convention as a whole.

J. Apportionment of Delegates to the Legislative District, County, Congressional District and State Convention: The number of delegates and alternates from each precinct, Legislative District or County to the above conventions shall be as set forth in the following Section K.

K. Formula for Apportionment of Delegates:

1. **Legislative District or County Convention:** The Democratic registration of each precinct shall determine the weighted vote that each precinct committee person represents. The number of votes will be provided by State Democratic Headquarters.
2. **Congressional District and State Conventions:**

<p>a. County or Legislative District Committee Democratic Registration</p> <hr style="width: 25%; margin-left: 0;"/> <p>Total Kentucky Democratic Registration</p>	X	<p>Total number of delegates fixed by the SCEC for State Convention</p>

<p>b. Total County Democratic Vote In the two most recent Presidential Elections</p> <hr style="width: 25%; margin-left: 0;"/> <p>Total KY Democratic Vote In the two most recent Presidential Elections</p>	X	<p>Total number of delegates fixed by the SCEC for State Convention</p>
--	---	---

- c. The products derived from application of the preceding formulae (a) and (b) shall be added and then divided by two, and the resulting quotient shall be the number of delegates to which such county shall be entitled. For counties holding Legislative District Conventions, the total county delegation shall be apportioned among the Legislative Districts according to the percent of registered Democrats who live in each Legislative District within the county.

The total number of alternates fixed by the SCEC for elections to the State Convention shall be apportioned in like manner.

The SCEC shall state the apportionment of delegates and alternates from each county or Legislative District in the Call to Convention.

L. Apportionment of Delegates from Split Legislative Districts and Counties to Congressional District Conventions: If a legislative district or county falls within the boundaries of two or more Congressional Districts, the delegates elected from such Legislative District or County shall be apportioned among the two congressional districts according to the percent of registered Democrats who live in each portion of the affected legislative district or county.

The County Chair shall announce at the convention of each County or Legislative District falling within the boundaries of two or more congressional districts the apportionment of the delegates (as supplied by State Democratic Headquarters) to the said Congressional District Conventions.

M. Tellers to be Appointed: The presiding officer of any convention or committee meeting shall, upon request by any member of the convention or of the committee, appoint tellers to count the members who are entitled to vote and also to count the actual balloting. If the presiding officer refuses to make such an appointment, he or she shall be replaced at such meeting by a majority vote of the members at the meeting and a presiding officer thus elected shall

appoint tellers to make the requested count. Any action taken by any convention or committee in violation of this rule shall be void.

N. Challenge to and Vote on Committee Recommendations: It shall be the duty of the presiding officer of each convention to assure that the right to challenge any committee recommendation is more than perfunctory, and places no undue burden on the challengers. All such committee reports shall be subject to approval and to amendment, in whole or in part, from the floor of the convention, and shall be subject to the final vote of the Convention.

O. Minutes of Meetings: All minutes of any meeting, convention or caucus at every level of the Democratic Party are open to inspection by any registered Democrat upon request. See article V, Section C2.

P. Adequate Notices of Times and Places for Party Meetings: The time and place for all meetings of the KDP at all levels shall be publicized fully, and in such manner as to assure adequate notice to all interested persons. Such meetings shall be held in places accessible to all Party members and large enough to accommodate all interested persons.

J. The County Executive Committee shall fill any such vacancy within thirty days of notification. If the vacancy exists longer than thirty days, the Chair of the SCEC shall fill the vacancy.

Within ten days after filling a vacancy, the Secretary of the County Executive Committee shall submit in writing to the SCEC the name, address, phone number, precinct name and title of office of the new Precinct Committee member(s).

The above procedure also applies to Precinct Committee positions not filled at the Precinct Conventions.

The Secretary shall file the minutes of all committee meetings with the Chair of the SCEC within ten (10) days of such meetings.

D. Removal of County Party Officers: If any Legislative District Chair, Legislative District Vice Chair, County Executive Committee member, County Chair or County Vice Chair fails to support the nominees of the National or KDP, or disavows allegiance to either, his or her office shall become vacant after a hearing and declaration of such vacancy by a majority vote of all the members of the County Executive Committee. The vote shall be on whether or not the individual failed to support the nominee and not on whether to retain the individual in their party office. The office shall be declared vacant immediately following a finding of guilt.

The Chair of the County Executive Committee may be removed without cause by a majority vote of the entire Executive Committee.

If any Committee member dies, moves from the County or Legislative District, becomes disabled or disqualified to serve the area from which he or she was elected, or notifies the County Executive Committee in writing that he or she is resigning, his or her office shall be declared vacant by a majority vote of the members of the County Executive Committee.

Adequate notice of the time and location for these meetings must comply with Article II, Section P of these laws.

Additionally, if any County Executive Committee member fails to attend, in person or by written proxy, two successive meetings of the County Executive Committee or fails to attend fifty percent (50%) of the annual meetings in person, his or her office shall be deemed and declared vacant by the County Chair.

F. Filling Vacancies on County Executive Committees: When a vacancy exists because of situations outlined in the preceding sections of this Article or due to redistricting, in the position of County Chair, Legislative District Chair and Vice Chair, or on the County Executive Committee, the Secretary of such committee shall report the vacancy to the Executive Committee and to the Chair of the SCEC.

The Vice-Chair shall have a vote on this Nominating Committee.

All votes of the Nominating Committee members will be proportionate to the number of registered Democrats at the preceding General election that are both within the District and also within the Legislative District in which he/she resides.

The total votes of the Legislative District shall be divided equally among the members of the Nominating Committee from such Legislative District.

5. County Commissioners are considered to be County-wide officers.

C. Committee Nominations for Elective Office to be by Vote in Proportion to Democratic Registration:

Whenever, pursuant to public or party laws a Nominating Committee shall be authorized to make any nomination for elective office or to fill any vacancy occurring in such nomination, each member of said Committee shall cast a vote, unless otherwise specified, proportionate to the number of registered Democrats at the preceding General election that are both within the district and also within the political subdivision that the member represents.

EXAMPLES:

1. Precinct Committee Officers will cast a vote equal to the number of registered Democrats in their precinct divided by three so that the total votes to be cast will equal the number of registered Democrats in the precinct; or
2. Legislative District Chairs will cast a vote equal to the number of registered Democrats in their Legislative District who reside within the district; or
3. County Chairs will cast a vote equal to the number of registered Democrats in their county who reside within the district; or
4. County Executive Committee Members entitled to vote will cast a vote equal to the number of registered Democrats in their county who reside within the district divided by the total number of voting members of the County Executive Committee who reside within the district at the time the vacancy occurs, so that the total votes to be cast will be equal to the number of registered Democrats in the county who reside within the district. For instance, if there are 20,000 registered Democratic voters in a county and district, and there are 20 members of a County Executive Committee who reside within the district, each County Executive Committee Member will have a weighted vote equal to 1000 (20,000 divided by 20).

D. Statewide Nominating Committee:

The Nominating Committee of Statewide Elected Offices shall be composed of the voting members of the SCEC. Only those Democrats who are SCEC voting members at the time the vacancy occurs shall be entitled to vote.

The Chair of the KDP shall be the Chair of said Nominating Committee. The Chair is entitled to vote under Article VIII, Section E, Paragraph (4). If the Chair is absent or unable to act, then the Vice Chair of the KDP shall act as chair. The Vice Chair is entitled to vote under Article VIII, Section E, Paragraph (4).

The vote of each voting member of the SCEC shall be equal weighted.

E. Nominating Committees to be Governing Authority:

All Nominating Committees established under this Article X shall be the governing authority to determine how all nominations within its district for special elections and selecting replacement candidates shall be made and to declare all nominees not inconsistent with public or party law.

All Nominating Committees shall have the discretion, by a majority vote, to include other Democratic Party Officials as voting members of the Nominating Committee. For example (and not by way of limitation), should the Nominating Committee be composed of the County Chairs or Legislative District Chairs, that Nominating Committee may, by a majority vote, include as voting members of the Nominating Committee those Democrats who are Precinct Committee Officers in the district at the time the vacancy occurs.

ARTICLE XI

CAUCUSES AND COUNCILS

The SCEC may grant official recognition to statewide caucuses¹ and councils² of Democrats sharing similar identity or common interests and objectives. These caucuses are meant to encourage these groups to support, and take an active role in, the Democratic Party. The purpose of granting official recognition is to enable the caucus or council to participate in the policy decisions and the outreach programs of the SCEC. Recognition is subject to the following provisions:

A. A suggested caucus or council must present a proposal and a draft mission statement to the Chair of the SCEC along with the signatures of at least thirty (30) individuals who share similar identities or common objectives, and who are willing to become active members of the proposed caucus/council. These individuals must represent at least three (3) Congressional Districts.

B. The SCEC Chair shall then appoint to review the proposal and draft mission statement, a committee consisting of the SCEC Chair, the SCEC Vice-Chair, the By-Laws Committee Chair, the Outreach Committee Chair, one (1) SCEC member from each Congressional District, one (1) member from the SCEC At Large members, and six (6) At Large members. Members of KDP staff and legal counsel may, at the request of the KDP Chair, serve as non-voting advisory members.

C. Upon approval of the proposal and draft mission statement by at least nine (9) of the committee members listed in Paragraph B, the proposed caucus/council must then submit the caucus by-laws to the SCEC By-Laws Committee. After reviewing the caucus/council by-laws to ensure that they meet the goals and by-laws of the SCEC, the By-Laws Committee may then recommend approval of the caucus or council by the SCEC.

D. To achieve official recognition, the caucus or council must be approved by a majority of the members of the SCEC who are present and voting.

E. Official recognition of a caucus or council extends until the SCEC votes, by a majority of the entire membership of the SCEC, to remove recognition.

F. A caucus or council will be entitled to a seat on the SCEC when it is first approved and thereafter so long as it annually meets the following standards:

1. The caucus or council shows that it has at least 30 active members.
2. The caucus or council continues to recruit members to create a statewide organization.
3. The caucus or council meets at least semi-annually, after giving the SCEC a minimum of 30 days advance notice of the meetings.
4. The caucus or council makes a report after each semi-annual meeting showing substantial activity in addition to the semi-annual meetings.

G. A caucus or council meeting the requirements in Paragraph F will elect one registered Democrat delegate and one registered Democrat alternate to the SCEC.

H. Membership with full voting rights in an officially recognized caucus or council is open to all registered Democrats who meet the membership requirements.

¹ *Caucuses will be composed of groups of people who share immutable characteristics. An immutable characteristic, in this case, is defined as any sort of physical attribute which is perceived as being unchangeable, entrenched and innate, and that could conceivably cause the individuals to be left out or discriminated against.*

² *Councils will be composed of groups of people who share common interests and objectives. These might include labor councils, education councils, rural councils, etc.*

I. Caucus or council by-laws must include a statement declaring that the caucus/council will support only Democratic elected officials and Democratic nominees in partisan races.

J. Failure to comply may result in a vote by the SCEC to remove recognition of the caucus or council. If recognition is removed, the caucus/council may reapply for recognition through the SCEC by submitting evidence that the caucus/council has achieved and maintained compliance for one (1) year.

K. In the first quarter of every year, each caucus or council must present the SCEC with a report of its membership, attendance and activities for the preceding calendar year.
